Boys' School News

Shmiras HaLoshon Initiative

17 boys from grades 3 & 4 were mesayem Mesechta Taanis this week in Rabbi Golombeck's after school Mishnayos group. They will IY"H celebrate this wonderful accomplishment with a barbeque/baseball siyum next week.

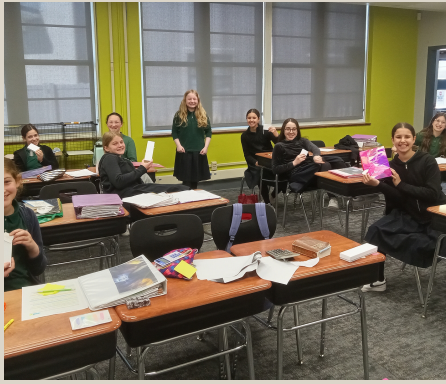

During this week's Shmiras Haloshon Initiative meeting, the boys learned about the painful onaas devorim of imitating and mimicking others. Rabbi Golombeck discussed with the boys some of the causes that drives one to do this and why this form of onaas devorim is so severe and painful.

In addition to learning the concepts, the boys have been reciting the Chofetz Chaim's tefillah al hadibur after davening.

2nd and 8th grade reading buddies in action!

Girls' School News

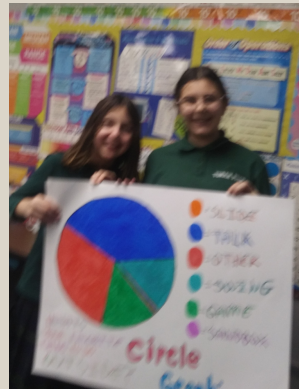

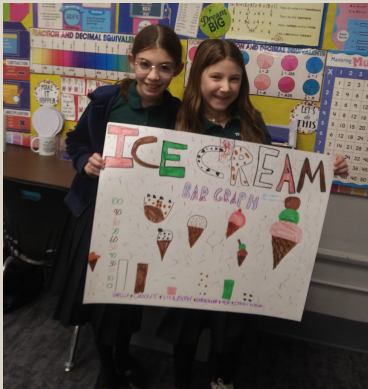

Orah Rosen in Mrs. Sentell's 6th grade class presents on אֶל תַּחַת. To reinforce the lesson she distributes different size bags to the girls with different items inside to show them that "each person has a different package in life" specifically designated by Hashem for him.

Mrs. Sentell's class of 6th grade girls enjoyed a beautiful morning at the Zoo this Thursday with a gift of a train ride as they celebrated a completion of their classroom expectations chart .

Fifth grade girls in Mrs. Kamins' class finished their unit on lamed tes melachos with Yona Hermelin presenting on the melacha of hotza'ah- carrying. The girls did a relay race "carrying" hardboiled eggs.

Fifth grade in Mrs. Kamins' class had fun collecting data and creating graphs after learning about statistics and graphs.

In Mrs Bromberg's World Geography class, the 7th grade is learning about the continent of Africa. Chana Miriam Mazer presented on Egypt and Chanah Sasportas presented on Morocco.

Girls' School News

The kindergarten girls in Morah Glestein's class learned the melocha of koraya and had fun tearing paper and making 3D creations.

On Wednesday May 3, Mrs. Kornblum's 1st graders took a field trip to the Faust Park Historic Village. In the village, the class was divided into two groups - one in the barn and one in the kitchen of the governor's mansion (Thornhill). The kids enjoyed learning about various jobs families had to do on a farmstead 200 hundred years ago (and later). They got to try grinding corn, rail splitting, sawing wood, hauling wood, and carrying water. They also got to make their own candles! The trip was led by Mrs. Kornblum's mother-in-law, Micha Kornblum, and Tim Emmons, both who work in the Historic Village. The kids got to see a few of the parts of the village including: the kitchen, the barn, a smokehouse, and an ice house. They also learned about the tools and clothing people used and wore during that time in history.

Thank you to our drivers: Mrs. Glazer, Mrs. Treisser, Rabbi Frank, Mr. Stark, Mrs. Fromowitz, Mrs. Brown, and Mrs. Rosenberg. Thank you to Mrs. Brown and Mr. Stark for help during the field trip.
